

JAZZ ROCK Radio Highlights

First of all, Jono Roberts was un-opposed in the bid for chief engineer. Jono recieved a vote of confidence on Feb 2, 78 (the day it really snowed?) O will be around to help clean our electrical act up for the remainder of the spring. If anything goes bizerk, don't fix it yourself, call 358-2943 at reasonable times for reasonable problems. If the place blows up, call him then.

Also, Rick Foate was appointed by the executive board to fill the position of Promotions/Public Relations Director for the remainder of the spring semester. If you want to promote your show, and that would be a good idea collectivley as well as individually, contact Rick at 355-7363 or leave a message for him at the station. Do it!

The University Broadcast Cooperative will be holding a 3rd class workshop the end of march. If you really want to get one, and we encourage you to, you can do it without taking this class. This class is basically an official push to get you off your ass. So far we have 10 persons w/ apx. 35 w/out.

Anybody with suggestions on a couple of albums we shoud buy, put them in writing, leave them in the programming dept. box.

We would like to remind some of you about allnighters. They are mandatory and have been going fairly well. None the less, if everybody does not participate, it creates a burden on those who do. Once every apx 40 days is not going to give you terminal acne. Just a few.

INSTANT FAME: POSSIBLE FORTUNE: The Virginia Mass Communication Association is sponsoring a broadcasting contest. All station members interested are asked to contact Maryann Bush for details. Be quick because the deadline is March 3rd. Make that Febuary 27 so we have time to judge them first. 2 weeks future fat heads.

REMOTES: Going pretty good. Just did one for 12-17 year olds. Had to play the music they brought. They dig the BG's and EWF. If your interested in setting one up, contact Brian. Oh yeh, we just got some new speakers for inside gigs, sounds even better.

Major problem occuring with production tapes. Please don't take them out of the station. In fact don't take any eqiuptment out of the station with out talking to the station manager. back to production, Chriss has been setting up a weekly schedule for the 'B' studio, plz do it. + we're missing 10 reel to reel tapes.???

Rumor sez that the Colonel is having a Bacchanalia this Saturday. (bak·e·nā·lī·a) 1. a roman festival in honor of Bacchus. 2. drunken orgy, orgies. 316 s. laurel st. after nine... "Wine is Fine" CPM
